

HIT & MISS

Walnut, White Oak, Hickory, & Red Oak
Widths: 3" to 7"
Lengths: 2' to 10'

This method uses a circle blade to cut boards thinner. More care is then taken in the kiln process to reduce warping. When milled the material is skipped across the face to achieve this unique one of a kind look that brings back the feel of old world craftsmanship.

OPTIONS:

Custom Prefinishing Available - UV Cured Oil and Custom Stains

Custom Patterns Such as Herringbone, Chevron, Basketweave, etc.

Edges - Hand Scraped, Micro, Rolled, or Wave

Face - Smooth, Wirebrushed, Hand Scraped, or Distressed
